Our Brothers & Sisters are facing the worst, and there might be more deaths due to Hunger than Coronavirus. Mother Terresa ones said, "If you can't feed a hundred people, then feed just one." And that's what the Amritvela trust and Bhai Gurpreet Singh JI(Rinku Bhai **Saheb)** are doing, their Aim to feed the needy & that too in this time when the Coronavirus is spreading in multiplications, its commendable job!! The Amritvela trust Volunteers are reaching every nook & corner of Ulhasnagar, Mumbai)& 327 + Centers Across India providing food to nearly 50,000 people every day, that too obliging the Social Distancing guidelines given by the Govt of India. Due to their Marvellous management in keeping large crowds in control, the UMC Municipal Commissioner and The Thane Commissioner office has given special permission to the trust so they can serve the public, for this great effort the have been recorded in the "World Book Of Records, London" also . Another great example was 2018 when Amritvela Trust was recorded in World Book Of Records. Hate Them Or Love Them

The uniform defines a duty, Army Uniform for War situation, CISF For Airport Security, Navy for Sea Borders & The Police for "Crime, Domestic Violence, Riots, VIP Security, Blockade, Forgery, All Festivals Bandobast etc.etc. This uniform has versatile duties that will keep on growing due to changes in rural & urban societies and hats off to them that they stand with and for the Public in any situation whatsoever.

As usual, yet again sleepless nights, as India is on high alert against COVID 19 CORONAVIRUS, Their leaves are cancelled ,they have been ordered to resume for the Call of Duty. They also have a family, their wives and children must also be equally afraid as our wives and children are and they also must be stopping them to step out of their homes but look at the BRAVEHEARTS who are handling the situation at home as well as the City, State & the Country.

One officer explained this fight as an election he said "Its the same situation as an Election in India, If people come out of there Homes, Corona will win and rule us, If the public stays home we will Win & Corona will be defeated "Simple yet informative.

From the High Rank officers to Constables, all have become our Shield against this Virus, They are applying all efforts to make you sit at home, be it a lathi, Social awareness, filmy songs, and whatnot. while the obedient citizen is praising the efforts of Police and some roadside romeos are complaining of beatings.

Salute to the Bravehearts and their Families.
